Connect 4 Christ strives to provide a safe and healthy place in a Christian environment for students. In order to ensure this we ask that every student and their parent(s) covenant with us to:

- Sign in upon arrival and out upon departure,
- Follow the covenant of behavior,
- Communicate special needs or circumstance with each other.

**Covenant of Behavior**

Our discipline policy is designed to help our students develop self-discipline and self-respect. This leads to two basic rules:

**Respect each other**

- We listen when an adult or classmate is speaking to us.
- We share because we understand that all that we have is a gift from God
- We participate.

**Respect our environment**

- We keep the areas we are in neat and clean.
- We walk more slowly and talk more softly in the sanctuary because we understand that God might have something to say to us or our neighbor
- We clean up our messes
- We put materials back when we are finished
- We try not to waste(food, supplies...) and value what we use and are given because we understand that all that we have is a gift from God.

By my signature, I authorize First United Methodist Church to include my student in planned field trips or mission projects away from the church, including transportation, under supervision of authorized personnel and to seek necessary medical treatment. I agree to the covenant of behavior of the FUMC Connect 4 Christ.
